

FOR IMMEDIATE RELEASE:

CHETCO BREWING COMPANY SCORES A TOP 100 HAT TRICK!

Brookings, Oregon - March 31, 2024 - The Southern Oregon Coast boasts a must-stop Top 100 Best “Fan-Favorite” Destination in Oregon for 2024 - [Chetco Brewing Company](#)! From humble beginnings (with an 8 gallon pot in the owners garage and a borrowed pop-up at local events and farmers markets) on the Chetco River, Chetco Brewing Company has grown into an award winning brewery in the heart of Brookings, Oregon.

[Oregon Business](#), an award winning magazine founded in 1981, scoured over 80,000 online reviews and tallied the scores to create their 6th Annual 100 Best “Fan-Favorite” Destinations in Oregon list and Chetco Brewing Company made the list for the THIRD TIME in a row! This small town brewery was one of two Oregon breweries to make the list in 2020... then COVID happened and travel was not an option for many. In 2023, Oregon Business brought back their Top 100 Fan Favorites and Chetco was the ONLY brewery on the list! This year, they did it again to bring the Hat Trick (three wins in a row).

Oregon Business determines their Top 100 Destinations list by analyzing online reviews and ranking them based on the number of 4 and 5-star reviews compared to the overall number of Reviews.

Chetco Brewing Company began brewing in Brookings in 2013 in a brewing set up in the owners’ garage on the Chetco River and now operates out of a 10,000 square foot brew space and Tap Room, with at least 20 craft beers on tap, food trucks, live music, free games, an event space, and a variety of special events.
